

Need help with your review?

Why not tell us...

...what you thought of the book.

...how the book made you feel.

...who the main characters were.

...who your favourite character was and why.

... the sort of style or genre the author used and why they used it.

...your favourite part.

...the themes that are in the book.

...what you thought the author was trying to do or say with the book (what did they want people to think or feel?).

...whether you have read any similar books.

... if the characters seemed real.

...what you liked about the way the author wrote (give us an example of this from the book).

...if you would recommend this book and why or why not.
